MISSION OF CHAPEL HILL CHRISTIAN PRESCHOOL

- ▷ TO PROVIDE A CHRISTIAN ENVIRONMENT THAT ENCOURAGES YOUR CHILD'S SPIRITUAL GROWTH.
- ▷ TO PROMOTE THE DEVELOPMENT OF YOUR CHILD'S EDUCATIONAL, EMOTIONAL, AND SOCIAL SKILLS.
- ▷ TO PREPARE YOUR CHILD FOR A POSITIVE SCHOOL EXPERIENCE.

A LITTLE ABOUT OUR PRESCHOOL

Our preschool day begins with circle time, which includes a time of singing and learning Bible stories. They also learn about the calendar, shapes, numbers and colors. After circle time, the children go into their classrooms for Learning Centers. In the Learning Centers, the children learn more about the theme of the week. Examples of some of our themes are: Fire Prevention, Family, Space, Healthy Eating, and Dinosaurs. Reading time and gym are the next part of the day for the preschoolers. During reading time, a teacher will read the theme books and at gym, the children grow using their large motor skills. The children enjoy a snack while visiting with the teacher and other children. While in small group time, the preschooler learns about letters and a real animal that goes along with the letter. An example of the letter and animal is Allie Alligator. Children also learn phonics through our Zoo Phonics program. Some of the special programs we offer to families include our Thanksgiving Feast, Dad's Road Rally, Mother's Tea, Field Trips and Family Fun Night. At Chapel Hill Christian Preschool, we have loving and devoted teachers who enjoy helping the children learn and grow.

WHY SEND MY CHILD TO A CHRISTIAN KINDERGARTEN?

"Spiritual training of children should begin at their earliest moments of awareness and continue through the teen years. The most important however may be five. That is when they are open and tender to the call of Christ. Some kids come to a fork in the road at this point. Either they begin to internalize what they are taught and make it their own, or Bible stories and lessons become like fables that don't apply to real world. Your careful instruction during this period can lay the faith foundation that will guide your children throughout their earthly lives- lead them into a joyous eternity." Dr. James Dobson

A LITTLE BIT ABOUT KINDERGARTEN...

We have one kindergarten class; Mrs. Knight has a Bachelor's degree in Education and does a wonderful job with the children. I am so impressed when I observed the Kindergarten class reading and advancing in Math. Many of the children who attended Chapel Hill Christian Kindergarten have received good citizen awards as they have moved on to higher grades, and I believe that comes from learning about God's word and how to practice God's word in their lives. The goal at Chapel Hill is to keep our Kindergarten class small so that Mrs. Knight can give the children individual attention. Chapel Hill's program offers a half-day Kindergarten Class and a half-day enrichment option. The half-day kindergarten program will address state standards in the areas of reading, math and science in the morning. The half-day enrichment class provides hands on science and math experiences, literature, art, music and learning centers. The children who stay for afternoon enrichment will bring a lunch to kindergarten.

Quote from a Parent- The growth and learning that we have witnessed in our daughter over the last year has warmed our heart to say the least. She has matured both academically and spiritually in ways that amazed us both.
